	1. The former NAG automotive plant at Ostendstrasse 1-5, Berlin-Oberschoeneweide, is run by the Muscian Army; it builds gasoline rotors for vehicles, some Olesel motors, mobile work-shop trucks, and some motor vehicle spare parts. This shop is commanded by an unidentified Soviet colonel. About 200 Soviet military personnel are on duty at the shop. There are 13 departments in the shop, each headed by a Mussian major. One of these section chiefs is Esjor (fnu) Lechinov. An unidentified Coviet general visited the shop once in Movember 1952 with a group of seven or eight Soviet officers.						
2.	The cobile work shops are mounted at the shop on Studebaker chassis which are delivered by the branch shop in Reesen. They have double rear sales, work-trucks are supplied with a large variety of tools for boring, welding, etc. The nobile work-shops are always delivered in pairs. About 100 are delivered each month.						
. 3.	The shop eaploys a total of about 1,500 Germans.						
	The former N4G shop in Berlin-Oberschoeneweide is under Colonel (fnu) Sulimov and Colonel three of which are: a. Lt. Col. (fnu) Sokolov, in charge of the techn b. Major (fnu) Chirnov, in charge of the planning c. Major (fnu) Siromadnikov, in charge of Section no Soviet in immediate charge. This shop produces spare parts for Studebaker, Ford, Chillys trucks.	ical section; bureau; II. Section 1 has	25X1 25X1

5. There is a branch of the shop in Zeesen, which was until late 1952 under the command of Major (fnu) Mazarov. The latter reportedly returned to the USSR in late 1952. Former head of the Technical Bureau of this branch was Major (fnu) Kiprianov, who reportedly has returned to Kuibyshev, Russia. Captain (fnu) Rashkov was formerly in charge of the Flanning Bureau at Zeesen and later took over the same function at the main shop in Berlin-Oberschoeneweide; he has since returned to the USSR. Major (fnu) Makarow was also formerly on the staff of the Zeesen branch. Makarov once remarked that he had been engaged in partisan activities during World War II.
